

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

\* \* \*

STUART GRAY, an individual,

Plaintiff,

v.

SALAMON GROUP INC., a Nevada  
corporation,

Defendant.

Case No. 3:12-cv-00611-MMD-VPC

ORDER

**I. INTRODUCTION**

Before the Court is Plaintiff Stuart Gray's Motion for Default Judgment. (Dkt. no. 14.) Plaintiff seeks a default judgment against Defendant Salamon Group Inc. For the reasons stated herein, Plaintiff's Motion is granted.

**II. RELEVANT BACKGROUND**

The Complaint alleges that Plaintiff entered into a Services Agreement ("Agreement") with Defendant on March 2, 2012. (Dkt. no. 1.) Defendant is a Nevada corporation engaging in the business of acquiring and/or developing solar power electric generating projects. (*Id.*; Services Agreement, dkt. no. 15, Ex. A.) The Agreement required Plaintiff to provide consulting services for a period of one year in exchange for certain compensation, including cash compensation totaling \$104,000.00 and shares of Defendant's stock equal in value to \$100,000.00. (Dkt. no 15, Ex. A.) Plaintiff alleges that Defendant paid him the first payment of \$2,000 for March, but failed to pay the remaining payment even though Plaintiff fully performed under the Agreement. Plaintiff

1 asserts claims for breach of contract, unjust enrichment and specific performance. (Dkt.  
2 no. 1.) In his Declaration submitted in support of the Motion, Plaintiff states that he  
3 seeks \$202,000.00 in damages under the Agreement. (Dkt. no. 15.)

4 Service of the Summons and Complaint were timely and properly effectuated on  
5 Defendant's Resident Agent on November 20, 2012. (Dkt. no. 6.) Defendant failed to  
6 timely respond, which resulted in the Clerk's entry of default on January 23, 2013. (Dkt.  
7 no. 12.) To date, Defendant has not responded to the Complaint or Plaintiff's Motion or  
8 otherwise appeared to defend this action.

### 9 **III. DISCUSSION**

#### 10 **A. Legal Standard**

11 Obtaining a default judgment is a two-step process governed by the Federal  
12 Rules of Civil Procedure. *Eitel v. McCool*, 782 F.2d 1470, 1471 (9th Cir. 1986). First,  
13 "[w]hen a party against whom a judgment for affirmative relief is sought has failed to  
14 plead or otherwise defend, and that failure is shown by affidavit or otherwise, the clerk  
15 must enter the party's default." Fed. R. Civ. P. 55(a). Second, after the clerk enters  
16 default, a party must seek entry of default judgment under Rule 55(b).

17 Upon entry of default, the court takes the factual allegations in the non-defaulting  
18 party's complaint as true. *TeleVideo Sys., Inc. v. Heidenthal*, 826 F.2d 915, 917-18 (9th  
19 Cir. 1987) (citation omitted). Nonetheless, although entry of default by the clerk is a  
20 prerequisite to an entry of default judgment, "a plaintiff who obtains an entry of default is  
21 not entitled to default judgment as a matter of right." *Warner Bros. Entm't Inc. v. Caridi*,  
22 346 F. Supp. 2d 1068, 1071 (C.D. Cal. 2004) (citation omitted). Instead, whether a court  
23 will grant a default judgment is in the court's discretion. *Id.*

24 The Ninth Circuit has identified the following factors as relevant to the exercise of  
25 the court's discretion in determining whether to grant default judgment: (1) the possibility  
26 of prejudice to the plaintiff; (2) the merits of the plaintiff's substantive claims; (3) the  
27 sufficiency of the complaint; (4) the sum of money at stake in the action; (5) the  
28 possibility of a dispute concerning material facts; (6) whether the default was due to the

1 excusable neglect; and (7) the strong policy underlying the Federal Rules of Civil  
2 Procedure favoring decisions on the merits. *Eitel*, 782 F.2d at 1471-72.

3 **B. Analysis**

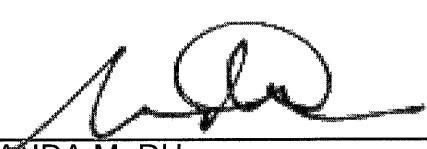

4 As an initial matter, the Court finds that Plaintiff has satisfied the procedural  
5 requirements for default judgment pursuant to Fed. R. Civ. P. 55(b). The Clerk properly  
6 entered a default against Defendant pursuant to Fed. R. Civ. P. 55(a). (Dkt. no. 13.)  
7 The notice requirement of Rule 55(b)(2) is not implicated because Defendant has not  
8 answered or otherwise responded to the Complaint. Thus, there is no procedural  
9 impediment to entering a default judgment.

10 The Court further finds that the *Eitel* factors compel the granting of default  
11 judgment. Accepting Plaintiff's allegations as true and having reviewed Plaintiff's  
12 Declaration and the Agreement, the Court finds that Plaintiff states a valid claim for  
13 breach of contract. Plaintiff alleges he fully performed under the Agreement, but has  
14 not received the compensation package promised under the Agreement. He seeks  
15 default judgment in the amount of the cash payment and stock value totaling  
16 \$202,000.00 as promised and owing to him. The potential prejudice to Plaintiff is great  
17 if Defendant is allowed to avoid appearing in this case and depriving Plaintiff of his  
18 contractual remedies. Thus, having considered the *Eitel* factors, the Court finds that  
19 default judgment is warranted.

20 **IV. CONCLUSION**

21 It is ordered that Plaintiff's Motion for Default Judgment (dkt. no. 14) is granted.  
22 The Clerk of Court is directed to enter judgment against Defendant and in favor of  
23 Plaintiff in the amount of \$202,000.00.

24 DATED THIS 23<sup>rd</sup> day of October 2013.
